Dear Mr. Sutterfield:

The U.S. Fish and Wildlife Service (Service) has reviewed the information supplied in your letter dated August 14, 2015, regarding the proposed construction of six broiler houses for Dylan Edwardson near the city of Cave City, Sharp County, Arkansas. Our comments are submitted in accordance with the Endangered Species Act (ESA; 87 Stat. 884, as amended 16 U.S.C. 1531 et seq.) and Bald and Golden Eagle Protection Act (16 U.S.C. 668-668d).

The Service concurs with your determination that the proposed construction may affect, but is not likely to adversely affect the Gray Bat (*Myotis grisescens*), Indiana Bat (*Myotis sodalis*), Missouri Bladderpod (*Physaria filiformis*), Rabbitsfoot (*Quadrula cylindrica cylindrica*), Scaleshell (*Leptodea leptodon*), Pink Mucket (*Lampsilis abrupta*), Ozark Hellbender (*Cryptobranchus alleganiensis bishopi*), Snuffbox (*Epioblasma triquetra*), Curtis Pearlymussel (*Epioblasma florentina curtisi*) or Northern Long-eared Bat (*Myotis septentrionalis*).

Please be aware Bald Eagle is not protected under the ESA. Bald Eagles are protected under the Bald and Golden Eagle Protection Act (16 U.S.C. 668 et seq.).

We appreciate your interest in the conservation of endangered species. If you have any questions, please contact the Arkansas Ecological Services Staff at (501) 513-4487.

Sincerely,

for Melvin Tobin
Project Leader
